dave, jon and gary,

this is to let you know that notice of your clients' consent decrees was published in the fed. reg. on Jan. 16, 2003. (68 F.R. 2362). i have to wait 30 days before filing a motion for entry, so you can expect -- barring unforeseen circumstances like someone commenting on the decrees -- that i will be sending in a motion to enter on tues. feb. 18. obviously, then the judge actually has to sign the CDs. in this case, however, i expect that he will sign them quickly. your clients' payments come due 30 days after entry, so it seems reasonable for your clients to start planning a payment due date somewhere on or a little after march 19. obviously, that could change if the judge doesn't sign the decrees quickly.
